

Cheryl Cadman Evans Preserve

Evans Trail

Cheryl Cadman Evans Preserve (Cornwall)

Distance: 2 miles

Lowest Elevation: 936 ft

Highest Elevation: 997 ft

Surface: mixed

Difficulty: Easy

Parking: Lot on West side of Rte 63 opposite Johnson Road

This new trail over Cornwall Conservation Trust's Cheryl Cadman Evans Preserve runs parallel to the Blue-blazed Mohawk Trail before the Evans Trail branches to the North. Passing below steep cliffs and skirting a forested wetland, the trail reaches an observation area that affords excellent views of this wetlands complete within the Hollenbeck River, a tributary of the Housatonic.
