

Steep Rock Preserve

Holiday House Trail

Holiday House (Washington)

Distance .93 Mile loop trail

Highest Elevation: 638 ft

Lowest Elevation: 437 ft

Surface: footpath

Difficulty: Easy to Moderate (some elevation gain)

Parking: at Tunnel Road

Explore a gilded age ruin in the shadow of the trees, where stone foundations are all that remains of a gilded age mansion that once served as a summer retreat for working class women from the sweatshops of New York City. This loop trail connects to other sections of Steep Rock Preserve for those wishing to extend their hike.
