Highest Point: 1012 ft

Lowest point: 875 ft

Surface: woods roads and footpaths Mixed surface

Difficulty: Moderate

Parking: Steele Road parking area

The Vista Trail is a red-blazed loop through the Town of New Hartford's Jones Mountain Preserve with exceptional views from the summit overlooking New Hartford and the Farmington River to the north. After crossing a foot bridge from the parking area, the trail follows an old carriage road, intersecting with steeper spur trails as it makes its way to the summit and back along the Vista (woods) Road.
