

White Memorial Conservation Center

Little Pond Trail

Distance: 1.62 miles Loop

Highest Elevation: 910 ft

Lowest Elevation: 893 ft

Surface: Natural path with some boardwalks

Difficulty: Easy

Parking: Mattatuck Trail lot on Whites Wood Road.

This nature trail within the extensive holdings of the White Memorial Foundation circumscribes Little Pond, set amidst a spectacular complex of floodplain forest, shrubs and open wetlands associated with the Bantam River. Boardwalks along the trail allow visitors to experience these wetlands up close and in detail. White Memorial Foundation is a recognized Important Bird Area. Parking is available a short distance to the south along Whites Woods Road.
