

Macrocostas Preserve

Story walk

Story Walk (Washington)

Length: ¼ mile

Surface: Natural Surface Foot Path

Difficulty: Easy

Parking: at Judea Garden

Steep Rock Association's Macricostas Preserve has a new, fun way for families to engage with nature. In partnership with the Gunn Memorial Library and Washington Supply, Steep Rock has posted pages from nature-focused children's books on signboards along a short, designated trail. Be sure to explore Judea Garden right next door, or discover your own story in the meadow, stream and woodlands of this enchanting landscape.
