HOUSATONIC VALLEY ASSOCIATION, INC. AND HVA FOUNDATION, INC.
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
JUNE 30, 2009

Note 1 - Organization and Summary of Significant Accounting Policies:

Organizations and Nature of Activities

The Housatonic Valley Association, Inc. ("HVA") is a nonprofit citizen's organization whose purpose is to protect and preserve the natural environment and scenic beauty of the Housatonic River watershed from the headwaters above Pittsfield, Massachusetts to Long Island Sound by fostering the best practices of education, conservation and land use. Its main office is in Cornwall Bridge, Connecticut, and satellite offices are maintained in South Lee, Massachusetts and Wassaic, New York. Major activities include an environmental resource center for use by the general public, governmental units, and other organizations; environmental education; land use planning; periodic publications; establishing a Source-to-Sound Riverbelt (a conservation and recreation path along the entire length of the river); and responding/studying/alerting the community to potential problems relating to open space, groundwater and river quality.

HVA Foundation, Inc. was originally formed in April 1994 to create an endowment for financial support of HV A, which is the sole member of the organization.

Basis of Presentation

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America, and consolidate Housatonic Valley Association, Inc. with HVA Foundation, Inc. The notes to the financial statements refer to both organizations collectively as "HV A" .

Cash and Cash Equivalents

Cash and cash equivalents consist of bank accounts, and cash invested in readily marketable mutual funds. These accounts are recorded as cash for reporting purposes in the statement of cash flows. Included are a bank deposit account of \$16,700 and money market mutual fund of \$131,623 which are permanently restricted.

Note 1 - Organization and Summary of Significant Accounting Policies: (Continued)

Contributions and Grants

Contributions are defined as voluntary, nonreciprocal transfers. Grants from various organizations for specific programs are treated as contributions for accounting and reporting purposes. Unrestricted and unconditional contributions are recognized as support when received. Contributions are reported as temporarily restricted support if they are received with donor stipulations that limit the use of such assets. When a restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the combined statements of activities as net assets released from restrictions. HV A's policy is to present temporarily restricted net assets received during the year whose restrictions are also met during the current year with unrestricted net assets.

Plant Assets and Depreciation

Buildings, personal property and renovations are recorded at cost. Depreciation is computed by the straight-line method over the estimated useful lives of the assets which range from 3 to 30 years. Donated assets are recorded at their estimated fair market value at the date of gift, and are also depreciated by the straight-line method. Depreciation expense for the fiscal year ended June 30, 2009 was \$16,077.

Donated Assets

Donated assets are recognized at their estimated fair market value.

HVA reports gifts of land, buildings, and equipment as unrestricted support unless explicit donor stipulations specify how the donated assets must be used.

Donated Services

During 2008-2009 Secretarial/Reception Services valued at \$8,736 were recorded in accordance with the Organization's policy to recognize contributed services which replace paid employee positions.

Note 1 - Organization and Summary of Significant Accounting Policies: (Continued)

Income Tax Status

Neither Housatonic Valley Association, Inc., nor HVA Foundation, Inc. are liable for Federal income taxes under Section 501(C)(3) of the Internal Revenue Code, since both are classified as "other than a private foundation." Additionally, both organizations are exempt from state income tax in Connecticut, Massachusetts and New York.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Note 4 - Bank Equity Line of Credit:

On August 12, 2004, HVA entered into an equity line of credit agreement with Salisbury Bank & Trust Company allowing up to \$100,000 in short-term borrowing. The agreement provides for monthly interest payments at a rate of 1 % above the bank's secured commercial lending rate, and is collateralized with HV A's office facilities in Cornwall Bridge. On July 12, 2009 this agreement was extended to mature on July 12, 2014. At June 30, 2009 this line of credit was available with no outstanding balance.

Note 5 - Net Asset Categories:

To ensure observance of limitations and restrictions placed on the use of resources available to the Organization, the accounts of the Organization are maintained in the following net asset categories:

Unrestricted

Unrestricted net assets represent available resources other than donor restricted contributions. Funds for operations and fixed assets, with the exception of some land which is permanently restricted, are reported in this category.

Temporarily Restricted

Temporarily restricted net assets represent contributions and grants that are restricted by the donor either as to purpose or as to time of expenditure. These net assets are in the form of cash and equivalents and include accumulated earnings for the Operating Fund, the Endowed Maintenance Fund and the Hanser Land Acquisition Fund. Additionally, unrealized investment gains (losses) on investment of contributed funds in the Endowment Fund, the Endowed Maintenance Fund, the Hanser Land Acquisition Fund and HV A Foundation funds are reported as temporarily restricted until realized.

Permanently Restricted

Permanently restricted net assets represent contributions received with the donor restriction that the principal be invested in perpetuity and that only the income earned thereon be available for operations. These net assets consist of investments in equity stocks and mutual funds totaling \$673,549, cash of \$16,700, land of \$200,000 and deferred land sale costs of \$6,342. They represent Endowment Fund, Hanser Land Acquisition Fund, a portion of the Endowment Maintenance Fund net assets, River Intern Fund and HVA Foundation funds.

Note 6 - Endowment and Similar Funds:

As described in Note 5, HVA maintains separate funds to hold and invest donor restricted contributions for various purposes. The funds are the Endowment Fund, the Hanser Land Acquisition Fund, the Endowed Maintenance Fund and the River Intern Fund. They are described as follows:

The Endowment Fund consists of land (and deferred land sale costs) held for investment by Housatonic Valley Association and investments in cash equivalent funds, equity stocks, mutual funds and long term certificates of deposit held by the HVA Foundation. The Foundation has established investment policy guidelines in order to preserve the real value of funds invested.

Funds are transferred from the Endowment Fund to the Operating Fund based on a formula which considers the market value of total invested funds at the fiscal year end of the previous three years and the calendar year end of the current fiscal year. An average of the four market values is multiplied by 3 % to arrive at the amount available for transfer.

The Hanser Land Acquisition Fund consists of funds invested in an equity mutual fund held for land protection. Earnings from the fund may be used for river enhancement and protection.

A portion of the Endowed Maintenance Fund consists of funds invested in an equity mutual fund from contributions permanently restricted to provide earnings which can be expended to monitor and maintain two property conservation easements.

The River Intern Fund was established during 2008-2009 as an' endowment, earnings from which would provide funding to hire a student intern for summer employment. Initial contributions have been held in a bank account pending further contributions and matching funds from the Community Foundation of Northwest Connecticut which will eventually hold and manage the fund.

The Organization has interpreted the Connecticut Uniform Prudent Management of Institutional Funds Act as allowing for the preservation of the fair value of the original gift as of the gift date of the donor restricted funds absent explicit donor stipulations to the contrary. As a result of this interpretation HV A classifies as permanently restricted net assets the original value of gifts to the Endowment Fund and the other permanently restricted funds along with any accumulations to the permanent funds made in accordance with donor gift instrument directions. The remaining portion of the aforementioned funds are classified as temporarily restricted net assets until appropriated for expenditure in the manner described for each fund.
